RE: Key West Airport Budget & Avis Agreements

Dear Mr. Horton,

As discussed I am requesting that the following changes be made in the Avis & Budget documents:

Avis

1. Please allow at least 24 months for the completion of any and all improvements to the Avis facility.
2. Please insert language into the agreement which will permit Avis to use its facility to service, store and park Avis vehicles as well as Budget rent a car vehicles.

Budget

1. Please insert language which will permit Budget to terminate its agreement at any time for any reason upon 180 days written notice to the airport.
2. If permitted please add language stating that in the event any new or additional car rental concessions are added to the airport that they will be on the same terms and conditions as the Budget deal.

I would like to personally thank you for all the considerations you have extended to myself, Budget and Avis in this matter.

If you have any questions please feel free to contact me.

Very truly yours,

David E. Stark, Esq.
